

Valued Patient,

Your physician at ENT and Allergy Associates (ENTA) is working hard to ensure that as many people as possible, regardless of which insurance plan they have chosen, can benefit from the ear, nose, throat, allergy and audiology services we provide.

Thus, ENTA is extremely pleased to announce that it is now participating with a growing number of Health Exchange plans associated with the Affordable Care Act.

While subject to change, as of January 2014, ENTA is participating with the following Health Exchange plans:

Health Exchange Plans in which ENT and Allergy Associates Participates
AmeriHealth
CDPHP
Empire BCBS
Fidelis
Health Republic of NJ
Health Republic of NY
Horizon BCBS of NJ
MVP
Today's Options of New York

We will continue to weigh participation in additional plans as they become available.

Should you have any further health insurance related questions, please contact us at info@entandallergy.com

Thank you for your continued loyalty and trust,

ENT and Allergy Associates, LLP
